EDUCATION

Bachelor of Computer Application
Pope John Paul II College
Of Education (2022-2025)

HSC
Immaculate Heart of Mary
Girls Higher Secondary
School (2022)

SSLC
Immaculate Heart of Mary
Girls Higher Secondary
School (2020)

SOFT SKILLS

Communication Skill

- Time Management
- Critical Thinking
- Teamwork

LANGUAGE

- English
- Tamil

PROFILE

Technically proficient professional with strong programming skills in C, C++, Java and Python . Possesses excellent analytical thinking, problem-solving and attention, Effective communication with the ability to work collaboratively in a team environment Adaptable and quick to learn new technologies and approaches. Reliable, organized, and committed to delivering high -quality results on time.

TECHINICAL SKILLS

- PYTHON
- C,C++
- DBMS,SQL
- JAVA

INTREST

- Database management system
- Machine learning
- Studying software archietecture

INTERNSHIP

Machine learning algorithms data preprocessing model training deployment of AI solution.

PROJECT

Hospital management system with advanced Extension.
